Dear Paul,

Thank you for joining your colleagues in the fight to protect the civil justice system at NYSTLA's Lobby Day on May 16<sup>th</sup> and 17<sup>th</sup>.

Because of your participation, it was one of the most successful Lobby Days in NYSTLA history and a number of legislators expressed their interest in sponsoring pro-consumer legislation. This is a critical step in a process that will require our continued efforts and resources.

Only with the dedication of civil justice advocates like you, will NYSTLA be able to effectively protect consumers and our clients' rights.

If you would like to discuss anything further, please do not hesitate to contact me at [president@nystla.org](mailto:president@nystla.org). On behalf of NYSTLA's Board of Directors and our 4,000 members statewide, thank you.

Sincerely,
