NEWS FLASH

Paul F. Oliveri, Esq., founding member of OLIVERI & SCHWARTZ, P.C., has been chosen by the well-respected legal services company LexisNexis® to be listed in its MARTINDALE-HUBBELL BAR REGISTER OF PREEMINENT LAWYERS™—2008 EDITION. The register is recognized as an invaluable reference for lawyers, support staff, and other professionals looking for leading practitioners in a given location or practice area. Mr. Oliveri has been recognized as a preeminent attorney in the practice of Medical Malpractice Law, Premises Liability Law, and Personal Injury Law. Now in its 92nd edition, the Bar Register is the definitive guide to America's leading lawyers and law firms.

Only the most distinguished law practices appear in the Bar Register—those that have achieved the prestigious “AV” rating, which is the top ranking in the Martindale-Hubbell Law Directory. The “AV” rating is the result of a structured peer review and is based upon the confidential opinions of practicing attorneys and members of the judiciary. Fewer than 5 percent of all law firms qualify and are included, making OLIVERI & SCHWARTZ, P.C., one of the most distinguished and respected personal injury law firms in the country.

This honor comes at a most auspicious time, as the law firm of OLIVERI & SCHWARTZ, P.C., is celebrating its 25th anniversary in the year 2008, having been founded in 1983.
